

System Requirements

Non-functional requirements:

1. As a tutor, I would want my personal information to be private (my bank account information, address and Social Insurance Number) to everyone with exception of Company Manager.
2. As a tutor, I do not want to be discriminated against in user reviews on the basis of any statutes protected under the Canadian Charter of Rights and Freedoms.

Functional requirements:

1. As a tutor, I would like to be able to apply to new teach subjects in addition to my current subjects.
2. As a tutor, I would like to know the company's commission rate and set my hourly rate.
3. As a tutor, I would like to receive notifications when a tutoring request has been made by a student and then see the student's reviews.
4. As a tutor, I would like to see what other tutors charge for a specific subject/academic level.
5. As a tutor, I would like to be able to indicate my availability for every month/any time period.
6. As a tutor, I would like to be able to review students (1-5 scale). My review can be anonymous.
7. As a tutor, I would like to be able to see all my scheduled sessions.
8. As a tutor, I would like to be able confirm my availability and accept the responsibility of a tutoring session after student makes a request.
9. As a tutor, I would like to be able to sign up once and log in using the same credentials.

System Level Requirements:

The system shall send notification emails to tutors who then can confirm availability and accept the responsibility of a tutoring session.

The system shall allow the tutor to review the system (the way it works) following each tutoring session.
